

More power to you this Australia Day weekend

Introducing the most powerful diesel SUV we have ever created – the Audi Q7 4.2 TDI with the option of 7 adult seats.[^] Unleashing 240 kW of power and 760 Nm of torque, its potent V8 engine also achieves benchmark fuel efficiency.

In combination with the superb handling and road holding of quattro[®] permanent all-wheel drive, it delivers a level of power and performance you expect from a world leader in diesel technology.

So happy Australia Day weekend from all of us at Audi, and if you're planning to get out and explore this beautiful country, more power to you.

To experience the luxury of power and performance for yourself, call **1800 50 AUDI (2834)** or **SMS: Q7 to 1999 AUDI (2834)** or **0427 262 265**
